THE FOOD

Wood-fired pizzas, the best salads in town, breakfast classics, smoothies, seasonal dishes, and delicious house-made pastries.

THE DESIGN

Outfitted in collaboration with New York-based design firm, AvroKo, Clayton has been created as a place for exchanging ideas. With a series of small, intimate spaces to facilitate connectivity, Clayton Members & guests are encouraged to network with the inspired and inspiring.

THE DRINKS

Signature mocktails, Exclusive Members-only wine list, lattes served by our expert baristas, and the best classic cocktails.

ROOFTOP RESTAURANT & LOUNGE

Take a dip, make a toast, and have a blast. Whether the pool is the backdrop or the main event, connect with your favorite people over brunch or cocktails under the cabana.

THE SUNROOM

An extension of the parlor that leads to our outdoor patio, the Sunroom is where our Members can take a book, and catch some rays while enjoying a refreshing beverage and bright company.

MEMBERS RESTAURANT

Designed as a proper dining space, the Members Restaurant is where lunch meetings and cozy breakfasts with friends and family can be enjoyed.

THE PARLOR

The Members Parlor is a space where we encourage productive conversations to take place. Members can entertain social and professional guests, designed to cultivate engaging conversation and connectivity over drinks.

THE LIBRARY

Specifically designed as our cozy, private, and intimate space on the Members' floor, the Library is structured to encourage productivity, whether that may be in the form of laptop work and catching up on that to-do list, or bringing a book to tuck in with a hot toddy from the Parlor.

CO-WORKING LOUNGE

An extension of the restaurant where Members are able to work and indulge in a substantial meal or quick nosh while also banging out a few emails or working on that PowerPoint presentation you've been procrastinating on.
